- The most right bull for his time we've ever owned! His **DCR** of 193.6 is off-the-chart high, but it is no wonder as Desert Prime's sire had a harvested load of steers grading 100% choice with a whopping **40%** of those reaching prime! Desert Prime is a real changer, excelling in 16 traits and siring mouth-watering style and power. Five of his first sons are selling!

- "Junior" is a terrific line bred King Ten influence sire. We love his moderate birth/high growth ability! He has explosive outcross potential on other bloodlines and breeds. Oh... He also goes back to breed icon cow CHRISTI!

- What a great bull! Many top sellers over the years have been by Jerry. The best news is how his females are cranking out outstanding calves. He is heavy muscled yet has powerful maternal/carcass excellence.
